

What you'll need:

- A Madison Public Library card
 - A computer (Windows XP SP2 and newer or Mac v10.4.9 and newer)
 - Internet access
 - Software
1. Download and Install the Adobe Digital Editions (ADE) Software from Adobe. Link for download can be found under "Required Software" tab on the South Dakota Titles to Go website:

<http://southdakota.lib.overdrive.com/>

Software **MUST** be activated with an **Adobe ID** in order to transfer to an eReader.

Checking out eBooks from South Dakota Titles To Go:

1. Choose your library
2. Sign in with 14-digit library card number and pin, which is your last name.
3. Locate an eBook by title, author, or browsing the collection.

4. Click "Add to Cart" to the right of the format you need for your device. (Nook: Epub or PDF)
5. Click "Proceed to Checkout" and choose your lending time (7, 14, 21 days).
6. Once confirmed, click "Download". You will be prompted to either OPEN or SAVE the file. Select OPEN.
7. ADE will open and download the eBook.

Transferring eBooks to an eReader:

1. Plug your device into the computer.
2. *The FIRST time only:* you should get a pop up to authorize the device with Adobe Digital Editions. Once authorized, the device name will appear under "Bookshelves".
3. After authorization, Adobe Digital Editions will recognize your device every time it is plugged in.
4. Click and drag the title of the eBook to the device.

Returning eBooks to South Dakota Titles To Go:

eBooks will automatically return at the end of the loan period. The title will stay on your computer and eReader but you will no longer have access. For copyright reasons, please delete the files from your computer and device.

Returning an eBook early:

1. Open Adobe Digital Editions.
2. In Library View, click on the "Item Options" arrow next to the title of the book. *[top left corner]*
3. Click on "Return Borrowed Item"

Need Help?
